

SCHWEIßMASCHINEN AUS WOLTERS DORF

IMPULS 3000

Universal machines for MIG-PULS, MIG/MAG and MMA welding

Impuls 3000 is a universal machine for MIG-PULS, MIG/MAG and MMA welding. Electronic synergic controls, remote control, digital programming. Excellent properties when welding aluminium, stainless steel and steel and MIG-brazing.

Wires: 0,8 - 1,2 mm, Material: 0,5 - 8 mm
